5. Clarity, Grammar, Punctuation and Use of Plain Language

Section 457.10 (3), Stats., requires, for the supervised clinical practice requirement, that a person must submit proof of having engaged in the equivalent of at least two years of full-time supervised clinical marriage and family practice. Section SFC 16.03 appears to allow individuals working part-time to fulfill that requirement over a longer period of time. If so, it may be useful to clarify in the rule any limit on the length of the time period over which the person may fulfill the supervised clinical practice requirement while working part-time.
